# Gosling 1

A HOME BY THE SEA

Lounge

Gosling 1 is a modern, fully equipped mobile home sited on the Parkdean Cayton Bay Holiday Village, nestled in the heart of the beautiful Yorkshire coastline. With a glorious sandy beach just a short stroll away and Scarborough and Filey a few minutes by car, seaside holidays don't get better than this.

On park you'll find plenty of action packed facilities to keep the whole family entertained from the heated splash pool, bungee trampolines, adventure golf, arcade and shop to Bike and Family Kart hire.

The Boathouse Restaurant has an outdoor canopy to enjoy the fantastic evening entertainment and children will be entertained by the Starland Krew.

Out and about there's plenty to see and do. Pack a bucket and spade and wander down to the beach or admire the historic harbour in Scarborough or Filey Bay.

This 3 bedroom mobile home consists of a double room and two rooms with single beds. There is a fold out bed in the lounge so will comfortably sleep a family of 8.

The bathroom has a large shower enclosure, toilet, basin and heated towel rail.

The kitchen contains all the pots, pans, utensils and gadgets you will need including an air fryer new for this season.

The lounge has an electric fireplace, TV and DVD player, CD player and a selection of family board games.

Gosling 1 has a veranda with patio furniture to enjoy your morning coffee or a relaxing drink after a day exploring the coast or Park Facilities.

Free wifi access is included during your stay.

Also new for this year is all bedding and towels are included and our house-keeping team will ensure the beds are made up prior to your arrival.

Well behaved dogs are welcome.

Gosling 1 is strictly a non smoking property.
